Memorandum of Understanding

This Memorandum of Understanding (hereinafter called as 'MOU') is entered into on this

Date: 9/10/2020

BETWEEN

GLA University (GLAU), Mathura, U.P. (Hereinafter referred to as "Party One" which expression shall unless repugnant to the context or meaning thereof, mean and include its successors, executors and permitted assigns) of the First Part

AND

National Institute of Solar Energy (NISE), an Autonomous Institution of the Ministry of New and Renewable Energy (MNRE), Govt. of India, having its Headquarters at NISE Campus, Gurugram-Faridabad Highway, Gwal Pahari, Gurugram - 122003, Haryana (Hereinafter referred to as "Party Two" which expression shall unless repugnant to the context or meaning thereof, mean and include its successors, executors and permitted assigns) of the Second Part.

Both GLA University and NISE are referred to individually herein as a "Party" and collectively as the "Parties"

WHEREAS

GLA University (GLAU) was established in 2010 for educational development of community in the field of technical and management education. The Management is dedicated towards the development and empowerment of the youth, irrespective of their religion, gender, colour or political affiliations. GLA University is recognized by UGC. Additionally, the institute has Solar energy lab equipped with various experimental facilities. The availability of operational solar PV systems in a campus with well-established academic departments in all the allied areas offer a very good opportunity for carrying out research as well as training the students and others for skills development.

WHEREAS

National Institute of Solar Energy (NISE) is the apex National R&D institution in the field of Solar Energy. The Government of India has transformed 25 years old Solar Energy Centre (SEC) under MNRE in October, 2013 into an autonomous institution to assist the Ministry in implementing the National Solar Mission and to coordinate research & development, technology demonstration, capacity building and other related works.

NISE has assumed all technical activities of SEC and has also re-organized itself to undertake roles and responsibilities as assigned to it by the Ministry from time to time. The institute is involved in conceptualization, technology demonstration, standardization, interactive research, training and testing of solar technologies and systems; and

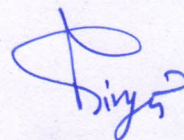

NISE is aiming to be an effective interface between the Government and Institutions, industry & user organizations for development, promotion and widespread utilization of solar energy in the country and abroad.

Both GLA University and NISE, therefore, agree to work together in an integrated and collaborative manner in relation to Renewable Energy Sector, especially Solar Energy covering Industry, Utilities and all other involved stakeholders.

Article 1 – Broad Areas of Cooperation

GLA University and NISE have identified the following areas of mutual interest:

1. Jointly work to accelerate, expand and achieve the objectives of National Solar Mission through trainings, skill development and capacity building programmes launched by

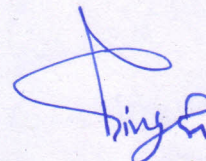

NISE/GLAU and towards better employability; enhanced job creation and entrepreneurship;

2. Examine the feasibility of starting certificate/diploma level courses to be run in NISE/GLAU.
3. Invite each other's experts, faculty members, trainees and students to participate in various capacity building programmes, organized jointly or separately.
4. Jointly organize interactive sessions, workshops, refresher courses, round-tables, seminars and conferences, whenever and wherever feasible.
5. Extend preferential treatment to each other in levy of participation fee; infrastructure/facility usage fee, hostel fee, Guest House fee, etc.
6. Permit each other's faculty, trainees and students easy access to Campus, Library, Laboratory, Testing and other facilities.
7. Provide and share each other's Brochures/Flyers, Reading/Course Materials, Programme Information etc. and prominently display the same at Library, Notice Board, and Website etc. as the case may be.
8. Jointly work towards enhancing industry-academia interface and aligning training, capacity building and skill development to meet the industry-specific requirements and for better employability.
9. Assist each other in "Training the Trainers" Programme, Entrepreneurship Development Programme, Standardization of Courses and Certification Programmes, Testing Protocols, Commercialization of R&D activities, etc. and
10. Jointly work towards enhancing and expanding the capacity, capability, facility and infrastructure through resource mobilization and aligning the capacity building, skill development and training programmes by forming national and international alliances and institutional partnerships to seize the opportunities that are expected from International Solar Alliance Plans, Programmes and Activities in its Member Countries.

The above areas of co-operation are indicative only and may be expanded or curtailed through mutual consultation.

Article 2 – Validity

The Memorandum of Understanding (MoU) will enter into force on the date of its signing and will remain valid till five (5) years. However, agreements concluded under this MoU shall be valid till end of contracting obligations and responsibilities of the concerned parties. The validity of this MoU can be further extended with the mutual consent of the parties in writing.

Article 3 - Termination

This MoU can be terminated by either party by serving three months (90 days) notice in writing, without assigning any reason, subject to completion of assignments in hand.

Article 4- Financial Obligation

There will be no financial obligation/binding on any of these two organizations.

Article 5 – Governing Law

Laws of India shall govern this MoU.

Article 6 – Others

This Memorandum does not grant any exclusive right to any of the two Parties in the areas of cooperation that they mutually agree and shall not create any legal binding obligations upon either Party.

IN WITNESS THEREOF, the undersigned duly authorized thereto have signed this Memorandum of Understanding.

Dr. Arun K. Tripathi
Director General
National Institute of Solar Energy (NISE)

Mr. Ashok Kumar Singh
Registrar
