

## Announcement

Respected Sir/Madam,

**Greetings from the Institute of Pharmaceutical Research, GLA University, Mathura.**

Institute of Pharmaceutical Research, GLA University is organising a two day national symposium on "Recent Advancements in Neurophysiology and Neuropharmacology (RANN-2018)" during November 2-3, 2018. Members of the organising team cordially welcome you to be part of National Symposium.

The Symposium RANN-2018 will serve as a congregating platform for the exchange of knowledge among students, academicians, researchers and industry professionals from the field of Pharmaceutical, Medical and Biomedical Sciences over advancements in the field of Neurosciences.

### About the Department

GLA Institute of Pharmaceutical Research was established as college affiliated to Uttar Pradesh Technical University in 2006. In 2010, it became a part of GLA University, Mathura. During this period of twelve years the institute has developed into a full-fledged department imparting education to students who have strong desire for pharmacy profession. The institute offers D. Pharm., B. Pharm., M. Pharm. and Ph. D. programmes. The well equipped infrastructure facilities with full access cater adequate experience to students for the development of professional career in the Pharmacy profession.

The conference will broadly cover the following topics:

1. Emerging trends in neuropharmacology of traditional medicine system.
2. Neurophysiology and Neurotherapeutics.
3. Advances in Neurotoxicology.

### About Mathura

Mathura is a holy city for Hindu (the world's third-largest religion) which is located on the bank of river Yamuna. There are many places of historic and religious importance in Mathura and its neighbouring towns. The Twin-city of Mathura is Vrindavan. As the home of the deity Lord Krishna in his youth, the small town is host to a multitude of temples belonging to various sects of Hinduism proclaiming Krishna in various forms and avatars. It is one of the Sapta Puri, the seven cities considered holy place by Hindus. Mathura has contributed a lot towards Indian Culture through its rich heritage. The Braj culture has been expressed widely through various practices. Sanjhee is the colourful art of decorating the ground with flowers. Mathura has been chosen as one of the sacred place by Heritage City Development and Augmentation Yojana scheme of Government of India.

*"Mathura welcomes you to this holy city,  
birth place of the deity Lord Krishna"*

LORD KRISHNA BIRTH PLACE, MATHURA
