# OUR INSPIRATION

**Late Shri Ganeshi Lal Ji Agrawal**  
1910-1977

In the year 1998, the first step was taken by Shri Narayan Das Agrawal to fulfil his father's dream by establishing GLA Institute of Technology and Management. It went on to take the shape of the GLA Group of Institutions and finally became GLA University in the year of 2010 through the U.P. State Legislative Act of 2009 (UP Act 21 of 2010).

The University is recognized by UGC under section 2(f) with 12B Status. GLA University is a NAAC A+ Accredited institution with a score of 3.46 out of 4, which is the highest score in the league of NAAC A+ accredited state private universities.

GLAU has been ranked as the 54<sup>th</sup> best pharmacy college in India by NIRF. It is also a member of the Association of Indian Universities (AIU) and its management programs are accredited by IACBE (International Assembly of Collegiate Business Education). Also, it is an educational member of the Association to Advance Collegiate Schools of Business (AACSB).

Home to over 17000+ students, the university provides education at Diploma, Undergraduate, Postgraduate and Doctoral levels in various disciplines of Engineering, Management, Commerce, Legal Studies, Biotechnology, Pharmacy, Agriculture, Applied Sciences & Humanities, and Education.

Hon'ble Chancellor, GLA University

## Chancellor's Note

# WELCOME TO GLA UNIVERSITY

Over the past two and a half decades, GLA University has acquired a reputation of imparting quality education. At GLAU we strive to offer all our students with an all-round professional development backed by a strong network of placement partner companies and plenty of opportunities to follow extra-curricular interests.

Our interactive and engaging pedagogy supports the holistic development of our students. Convention and modernity come together at GLAU to offer 'the best' to our students. We welcome you to explore our world-class infrastructure and amenities. With a thriving learning environment, we aspire to provide students with truly a world-class learning experience.

### **Prof. Phalguni Gupta**

Vice Chancellor, GLA University

It is a matter of immense pleasure for me to be a part of the GLA University Mathura family as its Vice-Chancellor. Our students have come from the folds of their family to another in their quest of knowledge. Henceforth, one needs to feel that their teachers, seniors and peers form an extended family from whom they get full guidance, support and help to move ahead in life as professionals in the programmes they have opted.

The university has a blend of experienced and young faculty members who are highly qualified in their fields of expertise. Our faculty members publish their research outcomes in high-impact factor journals of repute on a regular basis. There is an active interaction between faculty and students on campus. The learning experiences on the campus pave a strong path for the enhancement of the overall development of the learners.

### **Prof. Anup Kumar Gupta**

Pro Vice Chancellor, GLA University

As a University, we are committed to providing you with the education and resources needed to achieve your goals and realize your full potential. It is important to remember that you are not alone in the journey of achieving your career goals. We are with you.

I encourage you to stay connected with your peers, mentors, and advisors, as they are here to provide you with the support and guidance needed to succeed. Remember that your education is an investment in your future, and the skills and knowledge you acquire here will serve you well throughout your lifetime. Stay focused on your goals, and do not let any circumstances distract you from achieving them.

Finally, I want to remind you that success is not always easy, but it is always worth it.

# WHERE DREAMS *Take Flight*

# INNOVATION

At GLA University, we embrace **INNOVATION** to create a stimulating academic environment with research-driven education. Our students are nurtured to become industry-ready with an innovation-blended education. We leave no stone unturned in ensuring that every GLadiator is encouraged to transform their innovative ideas into inventions.

## 1. ALL-TERRAIN VEHICLE (ATV)

Also known as quad/quadbike/quad-cycle, ATVs can travel on low tyre pressure, which enables them to travel across different terrains efficiently. At GLAU, our mechanical engineering students designed a fully-equipped ATV in compliance with the guidelines defined by the American National Standard Institute (ANSI).

## 2. RC (RADIO-CONTROLLED) PLANE

A radio-controlled aircraft or RC Plane is a small flying machine that is controlled by an operator using a hand-held radio transmitter. GLAdiators designed an RC Plane using all the main components-Brushless Motor, ESC, Servo, Propeller, Transmitter & Receiver, Battery, etc.

## 3. GO KARTING VEHICLE

The Go Karting Vehicle designed by GLA University students is a high-performance, electric kart that blends cutting-edge technology with innovative design. Featuring a lightweight chassis, precision steering, and a powerful electric motor, this vehicle promises an exhilarating and eco-friendly racing experience.

## 4. DESIGNING THE ATV

In a bustling workshop at GLA University, students are passionately immersed in the creation of an All-Terrain Vehicle (ATV). Amidst the clatter of tools and focused conversations, they meticulously assemble components, test innovative designs, and brainstorm ways to conquer challenging landscapes.

# RESEARCH

INTENSIVE ENVIRONMENT

GLA University is a research-intensive institution where we emphasize experiential learning and project-based study for the students. Our state-of-the-art research facilities are driven by an advanced technological setup.

The faculty & researchers at GLA have completed various government research projects successfully. We have spent Rs. 17 CR on research in the last 4 years. Government agencies have sanctioned a budget of Rs. 19.27 CR for our research projects, while we got funding of Rs. 159.5 lacs from non-government sectors in the past 5 years. An h-index is a metric used to measure the productivity and impact of researcher's work. GLA has an impressive h-index of 74.

### *Annual National Level Sports Meet*

Maitree, hosted by GLA University, is an annual extravaganza that brings students, faculty, and the community together in a grand celebration of culture, talent, and creativity.

# MATHURA

THE CITY THAT CHANTS

*'Radhe Radhe'*

# DEVOTED TO *Krishna*

# DEDICATED TO *Education*

GLA University is located in the divine land of Mathura. Formerly known as Madhuvan due to its thick trees and dense forest, Mathura is located on the bank of the Yamuna River. The ancient & sacred city is immersed in the ecstasy of 'Radha-Krishna' devotees. Mathura has a mention in the epic saga 'Ramayana' too.

## Temples

Mathura has many renowned temples depicting the different forms of Keshav. The world famous Prem Mandir and Banke Bihari Mandir are in close proximity to GLA University.

## Ghats

Mathura is a city of sacred ghats. Sanctify your mind, body, and soul at 25 bathing ghats. Vishram Ghat is the holiest ghat in Mathura.

## Food

Mathura is known for its tempting food. You can enjoy Indian delicacies like Peda & Hing Kachori in Mathura.

## UNLEASH YOUR POTENTIAL WITH DUAL DEGREE PROGRAMS

Embark on a revolutionary academic journey with GLA University's dual degree programs, a visionary initiative under the National Education Policy 2020. Now, students can seamlessly pursue two degrees concurrently—a regular B. Tech paired with an online BBA and many more. This innovative approach empowers students to acquire expertise in both engineering and management, fostering comprehensive and future-ready skill sets. Elevate your education with GLAU's commitment to academic excellence and versatility.

### Benefits of Dual Degree Programs

- A diverse skill set, combining technical expertise with managerial skills.
- Save time by completing two degrees concurrently, accelerating your career growth.
- More cost-effective than pursuing two programs separately.
- Stand out with a broader knowledge base, enhancing your competitiveness in the job market.
- A holistic understanding of various disciplines, promoting interdisciplinary knowledge.
- Tailor your education to align with your career goals.
- Expand your professional networks, opening doors to diverse career prospects.
- Combining technical and managerial expertise prepares individuals for leadership roles.
- Encourages innovative thinking, essential in solving complex real-world challenges.
