## Kind Attention: Newly Admitted Students of All Courses for Session 2021-22

Dear Newly Admitted Students,  
Greetings from the University!

The University had earlier planned to begin academic session for newly admitted students from 13.9.21. However, keeping in view the safety and security of the students from COVID-19, it has now been decided to start the academic session 2021-22 in two phases as given below. You are requested to kindly report at least a day before commencement of classes for settling down in the hostel.

It is advised to get yourself vaccinated against COVID-19. It is compulsory to bring RT PCR negative report not done before 72 hours at the time of reporting in the University.

All hostel inmates are advised to book the hostel before reporting to the University. And, all day scholars who wish to avail Bus facility are advised to book the bus facility on GLAMS portal.

In continuation to the previous mail regarding registration, you are advised to deposit the fee in the bank from your place only, clear all dues and complete the process of registration.

All possible safety and security measures related to COVID-19 have been made to make your stay quite safe on campus and hostels. You are expected to bring your own sets of masks for face covering and pocket hand sanitizers.

Wish you a happy learning. All the best.

Thank you.
