Our Inspiration

Late Shri Ganeshi Lal Ji Agrawal
1910-1977

> प्रवर्तनीया सद्विद्या भुवि यत्सुकृंत महत्
> "True knowledge should be promoted all over the world as it is the most noble and pious work."

The inspiration, the value, the belief, the standard and the vision enshrined in the above quotation come from the noted philanthropist and social worker, Late Shri Ganeshi Lal Ji Agrawal. The spark he ignited has slowly but surely transformed into an illuminating star guiding those who aspire to seek excellence in learning and education.

About Us

In the year 1998, the first step was taken by Shri Narayan Das Agrawal to fulfil his father's dream by establishing the GLA Institute of Technology and Management. It went on to take the shape of GLA Group of Institutions and finally became GLA University in the year 2010 through the U.P. State Legislative Act of 2009 (UP Act 21 of 2010). The University is recognized by UGC under section 2(f). GLA University is also a member of the Association of Indian Universities(AIU) and Educational Member of IACBE (International Assembly of Collegiate Business Education).

Home to over 10500+ students, the University provides education at Diploma, Undergraduate, Postgraduate and Doctoral levels in various disciplines of Engineering, Management, Commerce, Diploma, Legal Studies, Biotechnology, Pharmacy, Agriculture, Sciences & English, and Education.

More than 550 well-qualified and experienced faculty members and 700 dedicated staff members work full-time for students' professional and all-around development. With a 30000+ strong alumni network all over the world, GLA University enjoys a special integration with the corporate world, which helps to develop industry-ready curriculum & pedagogy and the placement of the students.

About GLA University

It was the year 1991 Shri Narayan Das Agrawal decided to fulfil the dream of his father, Late Shri Ganeshi Lal Agrawal, of establishing an institute for quality education to the people and the region & beyond. and initiated Sri Jagannath Prasad Ganeshi Lal Bazaz Charitable Trust Samiti in an attempt to make the holy city Mathura a recognized destination for knowledge seekers from different spheres of life. This is what led to the foundation of a milestone at the karmabhoomi of the versatile and sagacious Lord Krishna. GLA University has been actively involved with social causes since its very inception and has drawn appreciation from one and all for its works in various facets of societal paradigms.

This is what led to the foundation of a milestone at the karmabhoomi of the versatile and sagacious Lord Krishna. GLA University has been actively involved with social causes since its very inception and has drawn appreciation from one and all for its work in various facets of societal paradigms.

It is a pleasure to introduce ourselves as GLA University, one of the leading private universities in this region of the nation. The University runs diploma, undergraduate, postgraduate and doctoral programmes in various streams of engineering, technology, management, commerce, education, Life Sciences, legal studies, applied sciences & humanities, and agricultural science. The University is home to more than 10,000 students and has an able support of close to 1,000 faculty and staff members. The University has been accredited with 'A' by NAAC since 2017 for its outstanding approach towards providing quality professional education and path -breaking research.

University at a Glance

- **Vision**

We envision ourselves as a pace-setting university of Academic Excellence focused on education, research and development in established and emerging professions.

- **Mission**

To impart quality professional education, to conduct commendable research and to provide credible consultancy and extension services as per current and emerging socio-economic needs.

To continuously enhance and enrich the teaching/learning process and set such standards, education and otherwise, that other institutes would want to emulate.

To be totally student-centric, thus promoting the overall growth and development of intellect and personality of our prime stakeholders, namely students, so that our alumni are worthy citizens and highly sought-after professionals worldwide.

To empower the members of faculty and staff so that the university's ambience is one of harmony, mutual respect, cooperative endeavour and receptivity towards positive ideas.

To proactively seek regular feedback from all the stakeholders and take appropriate measures based on them thus leading to excellent learning process.be totally student-centric, thus promoting the overall growth and development of intellect and personality of our prime stakeholders, namely students, so that our alumni are worthy citizens and highly sought-after professionals worldwide

- **Faculty Research**

The University has always promoted their faculty for the research by giving recognition in financial term for publication their research in journal and conferences in the academic year 2019-20, faculty of the university received research grant worth INR 1,90,00,000. The details are as under:

S.No.	Particulers	Number
01	Books	4
02	Book Chapter	346
03	Patent published	15
04	Journal Articles (SCI & Scopus)	441
05	Journal Articles (Conference Procedding)	157

- **New Leadership**

Prof. Phalguni Gupta joined as the Vice Chancellor of the University on 12th June, 2020

- **Outreach**

The office of the admission with team PRAYAAS under the new leadership of Mr. Saibal Chatterjee, General Manager – Admission developed and extenshive outreach programme that included participation of schools of all over India, Nepal, Bhutal and middle east. Under his supervision, his team visited the school and colleges acroos the country and neigbouring countries and engaged with councellor at diffirent school and colleges admisnistrator to famalier them about education of the university. Digital, print and social media were the important tools of the admission outreach.

- **Admissions and Financial Aid**

For the deserving students and economically weaker sections, university gives the financial aid in form of different scholarship in tution fee. The university also had the tie ups with banks to enable education loan for their students. Financial Aid given to the students in this financial year INR 5,48,94000/-

- **Graduating Students**

Total of 2615 students graduated 2082 from 14 programs offered by 5 institutes, one faculty of education. 23 Ph.D, 510 graduated with Masters degree and 2082 were awarded Bachelor's Degrees

Chancellor's Message

Over the past two decades, GLA University has acquired a reputation of imparting quality education at GLA; we strive to offer all our students an all-round professional development backed by a strong network of placement partner companies and plenty of opportunities to follow extra-curricular interests.

Our interactive and engaging teaching pedagogy supports our pursuit of the holistic development of our students. Convention and modernity come together at GLA to offer the best to our students. We welcome you to explore our world-class infrastructure and amenities. With a thriving learning atmosphere filled with camaraderie at GLA, we aspire to provide students with a true Ivy League University experience.

Narayan Das Agrawal

Vice Chancellor's Message

It is a matter of immense pleasure for me to be a part of the GLA University, Mathura family as its Vice-Chancellor. I take this opportunity to welcome students from all parts of the world to join our academic programmes. Most of such students have come from the folds of their family to another in their quest for knowledge. Henceforth, one needs to feel that their teachers, seniors and peers form an extended family from whom they get complete guidance, support and help to move ahead in life as professionals in the programmes they have opted for.

The university has young faculty members who are highly qualified in their fields of expertise. Our faculty members publish their research outcome in high impact factor journals of repute on a regular basis. There is an active interaction between faculty and students on the campus. The learning experiences on the campus pave a strong path for the enhancement of the overall development of the learners.

The university organises a large number of national and international conferences, seminars and workshops every year. Organising such type of events helps to provide a variety of experiences to the students and gets an opportunity to inculcate skills such as leadership and team spirit, which are helpful in their career. This beautiful campus of the university is fully ICT enabled and provides an excellent e-learning platform. Its curriculum, along with co-curricular and extra-curricular activities give a true opportunity to shape physical, mental and intellectual growth of students.

On behalf of the University family, I assure you that the university will help you pursue your objectives of life under the varied social, cultural and economic environment and make the University family proud of your attainments.

Prof. Phalguni Gupta

7	B.Sc (Chemistry)	30

Institute and Departments

- Engineering & Technology
  - Department of Computer Engineering and Applications
  - Department of Mechanical Engineering
  - Department of Electrical Engineering
  - Department of Electronics and Communication
  - Department of Civil Engineering
- Business Management
- Pharmaceutical Research
- Applied Sciences & Humanities
  - Department of Chemistry
  - Department of Physics
  - Department of Mathematics
  - Department of English
  - Department of Biotechnology
  - Faculty of Agricultural Science
- Legal Studies and Research
- University Polytechnic
- Faculty of Education
- School of Physical Education

Institute of Engineering & Technology

The Institute of Engineering and Technology (IET) of the university is one such spearhead because that was the program the GLA U began its joinery of Academic Excellence with. Being the oldest among the existing institutes and one of the **best Engineering Colleges in UP**, the IET has very succinctly proven and established its hallmark through quality education not only in the region, the state but much beyond.

Programs offered by the Institute of Engineering & Technology of GLA University are designed such that they, with a proven track-record, are dedicated towards nurturing Technically Sound, Socially Responsible Human Being and Globally Acceptable Engineers who evolve into Innovators and Entrepreneurs, capable of delivering outstanding solutions. IET proudly boasts of its dynamic alumni ranging from the domain of Public Service Commission, i.e. IAS, IPS and PCS officers to Lieutenants in Armed Forces, and also of its alumni serving at high echelons in service sectors across the globe. The Institute ever since its beginning has offered quality education in the field of Technical Education and its alumni spread all over the world are the stamp of testimony to the legacy of the IET, one of the **top Engineering Colleges in Uttar Pradesh**.

Institute of Business Management

The mission of the IBM is to foster academic excellence by imparting quality education at undergraduate level; and research opportunities at graduate levels with empowered faculty and staff. Students are provided with a strong academic foundation in business, and are prepared to become global citizens who are productive, competent, environmental conscious, ethical professionals with social responsibility. The IBM cultivates a highly-interactive, student-centric and conducive to learning environment that is embedded with state of art the instructional methodologies and the development of leadership and life-long learning skills in its students.

GLA Management Department is one of the **best Management Colleges in UP** in the state with over 2000 students and 80 plus faculty members, offering a wide range of specialization like Business intelligence, Data analytics, Supply chain management, Logistic management, I.B, I.T, H.R, Marketing and Finance, MBA in Financial Market, Logistic and supply chain management etc.

The department is headed by some eminent professors with a proven track record and professionals who have made a mark in the industry. This association introduces our students to the concepts of corporate culture and a sense of influential patronage. With many firsts to its credit and an impeccable record to boast of, the T&P cell works round-the-clock to ensure that the students of the University get placed in reputed companies at lucrative terms across various industries.The Institute of Business Management, GLA University got IACBE accreditation in the year 2020.

The Institute of Business Management, GLA University got IACBE accreditation in the year 2020.

Institute of Pharmaceutical Research

Institute of Pharmaceutical Research Mathura was established in 2006 to set a benchmark in the field of Pharmaceutical Education, Since then we have a placement record of more than 80%. The teaching techniques adopted by the institute aim at laying a strong foundation for the students.

Institute of Applied Sciences & Humanities

The Institute of Applied Sciences and Humanities caters to the requirements of the students by offering professional courses in the fields of Applied Sciences and Biotechnology.

At present, the institute offers courses in, BSc (H) Chemistry, BSc Agriculture Science, BSc Biotech; MSc Chemistry MSc Biotech, MSc Microbiology, MA English, and PhD programmes in Microbiology, Biotechnology, Applied Physics, Applied Chemistry, Applied Mathematics English and applied linguistics.

- Department of English
- Department of Physics
- Department of Chemistry
- Department of Mathematics
- Department of Biotechnology
- Faculty of Agricultural Science

These various departments are centers of academic excellence, imparting world-class quality education at undergraduate and postgraduate levels at the University. The primary focus of these departments is to strengthen the conceptualized frameworks, lay strong foundation, imbibe core essentials and bring forward comfort in communication in the field of Applied Sciences and Humanities.

These departments conduct research and development programmes and offer consultancy services as per the needs of the students they strive steadily for over-all growth and development of a student's intellect and personality to turn them into confident professionals. GLA's highly qualified faculty members regularly infuse industry experience into their teaching methodology with the help of most advanced educational tools to reach the global standards of today's world.

The Institute has improvised a unique teaching pedagogy that emphasizes on the practical aspect of education as it does on the theoretical aspect. Pro-active student initiatives enhance student's participation in the collaborative learning process. The Institute organizes regular personality development programmes to ensure that students take an active part in activities such as group discussions, case study presentations, mock interviews, role play exercises etc.

Institute of Legal Studies and Research

Our motto at Institute of Legal Studies Research(ILSR), GLA University, Mathura, UP, India, is to train and motivate bright young minds to discover their strengths to become an impact focused legal professional leader in their chosen field. Our aim is to identify specialized career options in the legal profession in public and private sector and provide appropriate guidance and training to our students to prepare them for their upcoming professional life after law school.

A special focus is devoted towards developing entrepreneurship skills and attitude among students and they will be encouraged to take unique initiatives to solve social and legal problems in India through legal and business solutions.

To prepare students for their professional life after five years, we provide a compulsory national & international internship at law firms, national & international companies, High Court, Supreme Court, research and policy organizations, NGOs, Government organizations etc. We also provide compulsory paralegal training to all law students for practical training for their legal career. Special training and coaching is also given for UPSC, Judiciary, SSC, Army exams and support for getting admission in top global universities for higher education.

University Polytechnic

Young people of twenty-first century are encouraged to make their career as professionals with board based foundation, in-depth knowledge and a versatile personality. The institute has commendable infrastructure comprising of specious lecture theaters, conference halls, well- equipped laboratories, workshops and a rich library.

The integration of sincere, energetic, highly motivated faculty with disciplined and serene atmosphere all around the campus further strengthened by indomitable human spirit groom the building engineers to lead the society of the tomorrow. The wonderful world of University Polytechnic, one of the top Diploma Colleges in UP, awaits you.

Faculty of Education

Faculty of Education aims at preparing dedicated, knowledgeable, skilled, creative and disciplined school teachers for the Indian school system who can perform complex duties. The duties may range from effective classroom teaching to molding the value system of students and undertaking administrative responsibilities with devotion and commitment. Faculty of education prepares teacher educators and researchers to play a leading role in their profession. Teaching is not a profession, it's a passion. Passion to uphold wisdom over mere knowledge, humility over arrogance, curiosity over ignorance and most important excellence over mediocrity. Teacher's work is one of the most demanding in nature. These demands need to be upheld by training teachers correctly and adequately.

Core Values of Faculty of Education:

- Discipline- It is the practice of training people to obey rules or a code of behaviour, using reinforcement to correct disobedience.
- Punctuality or Respect for Time- We promote punctuality and Time Management among Stake Holders.
- Freedom of Thought and Expression- We believe that Freedom of Thought and Expression is necessary, as without this overall development of individual cannot be completed.
- Honesty and Integrity- We are committed to practices that are fair, honest and objective in dealing with students, faculty members, staff and stake holders at all levels of Institution.
- Excellence- We promote Excellence in whatever constructive and productive work / activity Students /Faculties do.
- Accountability and Transparency- We believe in having complete transparency at all levels of hierarchy to promote a healthier working atmosphere to all. We believe in Accountability for and Transparency in, all my deeds and actions.
- Perseverance- We encourage Perseverance in doing something despite difficulty or delay in achieving success.
- Encouragement- Encouragement is provided for critical and quantitative thinking, effective communication, ethical decision making and social obligation in our students
- Social Responsibility- We are focused on promoting the sense of social responsibilities in students by involving them in various social activities that gives them a broader perspective of understanding the causes and possible solutions related to various social issues.

Training and Placement

The Department of Training and Placement is an integral part and backbone of the university. We, at GLA, focus on nurturing intellectual minds to produce qualitative human resource. To help students stand out and gain competitive edge over others, we emphasize development of both functional skills and exceptional practical outlook.

Focus is on placing students in various establishments according to their areas of interest and specialization, Numerous corporate interactions in the form of Guest Lectures, National Conferences, Workshops, Seminars, Webinars and industrial visits are held to

enable students to understand real-life situations and experiences. More than 300 companies visit GLA University every year offer jobs and placement opportunities as University provides up to 5 opportunities to student to select their career path.

Placement Ready Enhancement Program (PREP) through the training of verbal, numerical, logical and analytical skills leads students to become industry ready and enables them to face the interviews of various In-campus and Off-campus placement drives.

Centre for CSED – Industry 4.0 Facility

Industry 4.0 has been defined as "a name for the current trend of automation and data exchange in manufacturing technologies, including cyber-physical systems, the Internet of things, cloud computing and cognitive computing and creating the smart factory". Industry 4.0 is a vision that evolved from an initiative to make the German manufacturing industry more competitive ('Industrie 4.0') to a globally adopted term.
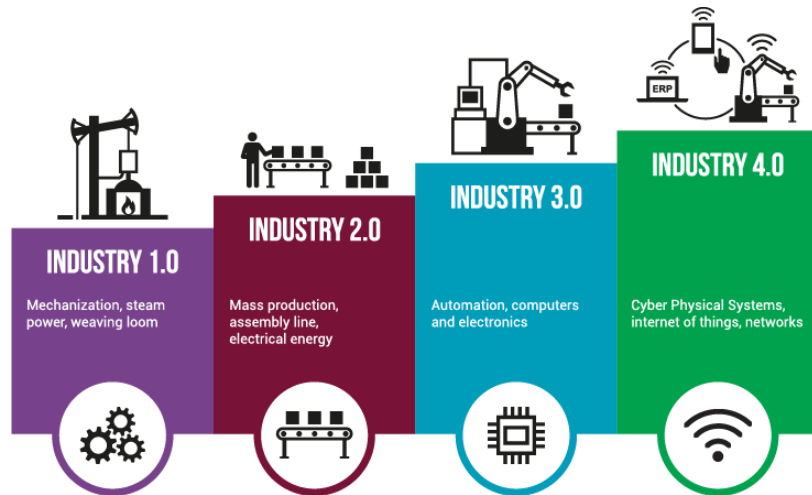

Industry 4.0 is often used interchangeably with the notion of the fourth industrial revolution. It is characterized by, among others,

1) Even more automation than in the third industrial revolution.
2) The bridging of the physical and digital world through cyber-physical systems, enabled by Industrial IoT.
3) A shift from a central industrial control system to one where smart products define the production steps.
4) Closed-loop data models and control systems.
5) Personalization/customization of products

DCS®

Power To Design The Desired

GLA University in collaboration with Dysmech Competency Services (DCS), Pune, has set up the Center for Skill and Entrepreneur Development (CSED) a functional industry inside the campus wherein students will be exposed to the industrial ecosystem with project-based learning program.

Course Offered:

- B.Tech. – Computer Sciences Engineering (CSE) in specialization with Industrial IoT.
- B.Tech. – Mechanical Engineering (ME) in specialization with Smart Manufacturing.

CSED at GLAU is working on skill development as an industry partner to bridge the gap. We call it "Industry inside an Institute.

Highlights:

- Hands on experience on Industry Sized Equipment
- Simulation and designing on Industrial Licensed Softwire's of global brands like PTC, Dassault & Mastercam.
- Corporate experienced faculty for niche technologies
- Live Industrial Project as part of curriculum.

Value for Students:

- Industry Ready Engineer With Experience of 1 To 2 Years
- Students Would Get To Work on Industrial Problem Statements.
- Provide Platform For Publications, Patents And Industry Sponsored Projects.
- Students Would Be Preferred For Lateral Hiring Against The Fresh Hiring.

Patents

GLA University believes in Innovation and Invention. Various GLAians designed their own prototype with the guidance of faculty members. We appreciate their efforts. As a result, we got their patents published.

\S. No.	Patent Details	Patent status	Patent Number	Date of Award
1	HERBAL PREPARATION ANTHO-BOOST BASED ON NEOLAMARKIA CADAMBA CONFERRING ITS NUTRACEUTICAL PROPERTY AND PROCESS THEREOF	Published	201911028576	26-Jul-19
2	NOVEL BISMUTH BASED CATALYSTS FOR THE SYNTHESIS OF ß-AMINO ALCOHOLS	Published	201711047210	2-Aug-19
3	A PROCESS FOR THE SYNTHESIS OF ß-AMINOALCOHOLS THROUGH THE REGIOSELECTIVE RING OPENING OF EPOXIDES AND A CATALYST THEREFOR	Published	201811003218	16-Aug-19
4	A METHOD AND SYSTEM FOR AUTOMATICALLY DETECTING AND TRACKING HUMAN OBJECT FROM A CROWD USING ZERO-STOPPING CONSTRAINT- MODEL	FER	201811000903.00	18-Oct-19
5	STABLE EGG WHITE NANOPARTICLES AND A PROCESS FOR THE PREPARATION THEREOF	Published	201811020796	6-Dec-19
6	FIRE FIGHTING DRONE	Filed	201911052235	17-Dec-19
7	A TOOL GRINDING FIXTURE	Published	201911052914	3-Jan-20
8	WEIGHT-AUTOMATIC-KEY	Published	201911052366	3-Jan-20
9	AUTOMATIC TOILET SEAT WITH AUTO FLUSH	Published	201911052367	3-Jan-20
10	FIRE FIGHTING ROBOT	Published	201911052233	3-Jan-20
11	AN ADAPTER BASED ON THERMOELECTRIC GENERATOR	Published	201911008894	3-Jan-20
12	FOUR WHEEL STEERING MECHANISM FOR VEHICLES	Published	201911013881	10-Jan-20
13	A GUIDE BENDING MACHINE	FER	201811037429	20-Feb-20
14	OPTIMIZED INBUILT PNEUMATIC JACK	Published	202011006106	15-May-20
15	ENERGY HARVESTIN FROM FAR FIELD RF SIGNAL	Published	202011014385	22-May-20

MoU's

GLA University signed MoU's with various national and International universities and to conduct academic activities related to conducting certificates programs, diploma and PG diploma programs, capacity building course, internship and training support, organizing seminars and conferences, research publications, established of three centers on Alternative dispute resolutions (ADR), Trade and Investment, climate change and environment. Exchange a research scholar, faculty members training teachers, staff and educating the students. The details are as under:

International tie-up's

- MOU with Parana Western State University, Parana State, Brazil
- MOU for Academic cooperation with University of Malaya, Malaysia
- MOU with University of Pisa, Italy (Civil Engineering)
- MOU with Association for the International Development of Academic and Scientific Collaboration(AIDASCO) Novi Sad, Serbia.
- MOU with Shiraz University, Iran for Educational research an technological Co-operation.
- MOU with Particle Physics Group, Institute of Physics Academia Sinica, Taiwan (Physics)
- MOU Arkansas State University (ASU) – Jonesboro, USA
- MOU with Fort Hays State University (FHSU), State of Kansas_USA, Dept-Administration
- MOU with Jacksonville State University, USA (Computer Engineering & Application)
- MOU for Academic cooperation with the cloud computing and distributed system(CLOUDS) Laboratory, University of Melbourne, Australia (Computer Engineering & Application)
- MOU with for Academic cooperation between University of St. Thomas, USA and GLA University (IBM, PG)
- MOU with California State University San Bernardino, USA (IBM, PG)
- MOU with Chartered Institute of Management Accountants, UK (CIMA) (IBM, UG)

Industry tie-up's

- MoU with United Overseas Patent Firm
- MOU with Creative Tools Noida
- MOU with Unozin India Private Limited
- MOU With Independent Thoughts, Noida (National Level NGO for Children Laws Research & Advocacy)
- MOU with HIINXLEGAL
- MOU with Voltrans Energy Private Limited (Electrical Engineering)
- MOU with MSME-Technology Development Centre (PPDC), Agra (Mechanical Engineering)
- Alliance MOU between NewGen IDEC, GLA University and JSSATE- Science & Technology Entrepreneur Park, Noida
- MOU with Council of Scientific & Industrial Research (CSIR)- Central Institute of Medicinal and Aromatic Plants, Lucknow
- MOU with SVR Infotech
- MOU with TUV SUV South Asia Pvt. Ltd.
- MOU With Micro, Small and Medium Enterprise Technology Development Centre Agra
- MOU for Academic cooperation with IBM India Private Ltd.

- MOU for Academic cooperation with VMWare International Limited
- MOU with Bentley Centre of Excellence & Spageo Technologies Pvt. Ltd. Ghaziabad, Uttar Pradesh
- MOU with Simpa Energy India Pvt. Ltd., Noida
- MOU of Collaboration with National Instruments Pvt Ltd, Bengaluru
- MOU with EdGate Technologies Pvt Ltd Bangalore
- MOU with Cisco Networking Academy
- MOU with Rubicon Skill Development Pvt. Ltd.
- MOU with Stanley Browne Laboratory Delhi
- MOU with Ayurvet Limited
- MOU with Biozone Research Technologies Pvt. Ltd. - Chennai.
- MOU with National Research Development Corporation (NRDC) New Delhi
- MOU with National Jalma Institute (ICMR), Agra
- MOU with Central Institute for Research on Goats (CIRG), Mathura (Biotechnology)
- MOU with NSIC Technical centre, Neemka (Faridabad)
- MOU with Shri Dhanwantri Ayurvedic Medical College & Research Centre (Institute of Pharmaceutical Research)
- MOU with JBM Auto Limited SDC, Faridabad
- MOU with Evertouch Healthcare & Group, Kosi-Kotwan, Mathura (Institute of Pharmaceutical Research)
- MOU with SV Wealth Partners, Delhi (Institute of Business Management- U.G)
- MOU with Brijwasi Keshav Milk Product
- MOU for sports cooperation with ESI Sports India Private Limited, Pune
- MOU with NSIC- Technical Service Centre (Aligarh) - University Polytechnic
- Mou With MSC, A division of Matrix Publicities & Media India Pvt. Ltd., Gururam, India

Academic tie-up's

- MOU with Aligarh Muslim University (AMU) for Educational Research and Technological Co-operation (Biotechnology).
- MOU with Central Institute of subtropical Horticulture (CISH), Lucknow (Biotechnology)
- MOU with National Institute of Solar Energy (NISE),Faridabad (Mechanical Engineering)
- MoU with Indian National Association of Legal Professionals (INALP), New Delhi
- MOU for industrial research cooperation with Shriram Institute for industrial research
- MOU with Millennium India Education Foundation, New Delhi for promotion of inter- institutional research collaboration, Staff and students training / Postgraduate research- (Biotechnology Dept.)
- MOU with National Institute of Hydrology, Roorkee, Uttarakhand
- MOU with Indian institute of Metals (IIM Kolkata)
- MOU with CSIR-CENTRAL ELECTRONICS ENGINEERING RESEARCH INSTITUTE (CSIR-CEERI)
- MOU with National Institute of Securities Markets (NISM)
- MOU with Quality Council of India, New Delhi
- MOU for Academic cooperation with GlobalLogic India Limited
- Academic Affiliate Agreement with The Institution of Engineering and Technology (Electrical Engineering)
- MOU with Center of excellence for Logistics and supply chain management with Safeducate Learning Pvt Ltd. (A concern of Safexpress)
- MOU with Nuclear Particle Physics Group, Department of Physics, Institute of Science, Banaras Hindu University, INDIA

- MOU with Department of Physics, School of Physical and Chemical Sciences, Central University of South Bihar, INDIA
- MOU with Jadavpur University_Kolkata (Dept of Chemistry)
- MOU with Directorate of Rapeseed-Mustard Research, Rajasthan - DRMR
- MOU with National Research Centre on Equines & Veterinary Type Culture Collection, Hisar, Haryana (Biotechnology)
- MOU with National Bureau of Animal Genetic Resourses (NBAGR) Karnal, Haryana
- MOU with Central Sheep and Wool Research Institue, Jaipur (Raj.) (Biotechnology)
- MOU with Indian Institute of Sugarcane Research (IISR)_Lucknow Dept-Biotechnology
- MOU with National Bureau of Plant Genetic Resources, New Delhi (Biotechnology)
- MOU with Malviya Centre for Innovation BHU Varanasi
- MOU on educational research and technological cooperation with Anjaney Trust, Mathura (Biotechnology)
- MOU with ICAR-National Bureau of Agriculturally Important Microorganisms (NBAIM), Kushmaur, Mau
- MOU with Central Molecular Research Laboratory Department of BioChemistry Shri Guru Ram Rai Institute of Medical & Health Science, Dehradun
- MOU with Raja Balwant Singh College, Agra, Uttar Pradesh
- MOU with ICAR- National Institute for Plant Biotechnology (NICPB) New Delhi (Biotechnology)
- Umbrella Memorandum of understanding with Indian Institute of Pulses Research, Kanpur
- MOU with Shri Girraj Supari Traders, LLP, Mathura (Biotechnology)
- MOU with Qversity Education Services Pvt Ltd., Noida
- MOU with Master School of Management, Meerut (Institute of Business Management- P.G)
- MOU for transfer of Jai Gopal Vermi Culture Technology between ICAR and GLA University, Mathura (Biotechnology)

MoUs signed with institutions of national, international importance, other universities, industries, corporate houses etc. during the year

S. No.	Organisation	Date of MoU signed	Purpose/Activities	Number of students/teachers participated under MoUs
1	California State University, San Bernardino,USA	09 Jul, 2019	Online guest lecture on Strategic planning - Case analysis of chobani.	70
			Student - faculty Short duration programs from both sides.	10
2	Tuv-Sud South Asia Pvt. Ltd., Pune	16 Jul, 2019	Introduction to Industry 4.O	60
			Two days Technical Training Programme on Geometrical Dimensioning and Tolerancing.	20
3	University Of Malaya, Malaysia	05 Aug, 2019	Research Publication (01)	1
4	Jadavpur University, Kolkata	28 Aug, 2019	Research Activity	1
			Guest lecture on Application of Microscopy	25
			Guest Lectures on Vaccine	68
5	Nuclear & Particle Physics Group, BHU, India	20 Aug, 2019	Guest Lecture on string theory, black holes and holographic principle.	34
			A Workshop on Neutrino Physics: Theory and Experiment.	1
			International Conference on New Frontiers in Nuclear Physics (ICNFNP 2019).	1
			Online Guest Lecture (By Zoom Meeting) "Radiation interaction with matter"	35
6	School Of Physical and Chemical Sciences, Central University Of South Bihar, Gaya India	28 Sep, 2019	Guest Lecture on Dark Matter : An Introduction	35
7	Particle Physics Group, Institute Of Physics, Academia Sinica, Taiwan	15 Oct, 2019	Collaboration meeting	18
			Collaboration meeting	17
			GEMADARC Summer Exploration Series	46
8	ICAR- Central Institute For Subtropical Horticulture (CISH) Rehmankhera, Po. Kakori, Lucknow, (UP)	20 Nov, 2019	• To promote inter institutional research collaboration, staff and students training, staff & students exchange.	−
9	Department Of Surgery, J.N. Medical College, Aligarh Muslim University, Aligarh	09 Nov, 2019	• Exchange of faculty and student for research, teaching and study, student exchange are based on the understanding the exchange are matched one for one by each institution. • Joint research activity by the faculties can be undertaken.	−

S. No.	Organisation	Date of MoU signed	Purpose/Activities	Number of students/teachers participated under MoUs
			• Exchange of scholars for seminar, conferences and other academic meetings.	
10	Millennium India Education Foundation, New Delhi	04 Dec, 2019	6th annual conference is being held at Bombay Veterinary College premises Parel Mumbai on 29th February 2020. Prof. S.V. Singh HOD Dept. of Bhhiotecnology GLA University deliver a deliver lecture on Bacterial Zoonosis with special reference to Mycobacteriosis—Challenges encountered in livestock & poultry	2
			Online seminar on "One Health: COVID 19 (ZOONOTIC DISEASES-)" Date 1st June 2020 alongwith GLA University. Invited Speaker Prof. A.K. Bhatia Dept. of Biotech GLA University.	66
11	Central Institute For Research On Goats (CIRG) Mathura, (UP)	27 Dec, 2019	Educational Visit of CIRG For B.Sc(H) Biotech I Year	38
12	ICAR-Indian Veterinary Research Institute	13 Feb, 2020	JaiGopal Earth worm used for Wormicompost Prepration in Villages under Unnat Bharat Abhihyhan mission of MHRD	1
13	Paraná Western State University, Brazil	20 Nov, 2019	Guest Lecture on Current job market for IT professionals in Brazil.	66
14	Qversity Education Services Private Limited, Noida	23 Dec, 2019	• Arrange course and professors from Universities for the purpose of providing Online courses.	–
15	United Overseas Patent Firm, New Delhi	10 Oct, 2019	Guest lecture on Fundamemtals of Intellectual Property Rights.	60
16	Jssate - Sci & Technology , Noida	04 Oct, 2019	Business Growth Hacking Seminar	25
			Startup Mentoring Session	10
			Startup Enrichment Program	20
17	ESI Sports India Pvt Ltd, Pune	03 Jan, 2020	• EUSAI will promote the Universities' Teams on national TV/Digital platform by providing students a platform to display their sporting talent and to organize a National Broadcast Company to shoot, edit and produce video of the games at inter-university events for pan-India media distribution.	–
18	NSIC Technical Services Centre, NEEMKA,Faridabad	28, Nov, 2019	Visit to NSIC Faridabad (Faculty Member)	2
			Industrial Visit	43
			Faculty Training Program	5

S. No.	Organisation	Date of MoU signed	Purpose/Activities	Number of students/teachers participated under MoUs
19	NSIC Technical Services Centre, Aligarh	13 Feb, 2020	Guest Lecture Topic: Entrepreneurship Development	160
20	JBM Auto Limited SDC, Faridabad	February 24, 2020	Guest Lecture On Limits Fits and Tolerance	43
21	Msc, A Division Of Matrix Publicities & Media India Pvt. Ltd. Gurugram, India	March 11, 2020	Current Trends in Digital Marketing" Online Guest Lecture	57
22	Evertouch Healthcare & Group, Mathura	March 17, 2020	Guest Lecture/ Student interaction on "How to Start a Pharma Company".	60
			For session 2019-2020 company will provide online/offline training to 20 students of B.Pharm III year in the month of June /July.	20
23	Shri Dhanwantri Ayurvedic Medical College & Research Centre, Mathura	September 05, 2019	• To carry out trials of the new drugs on the animals. • To utilize the facilities of the animal house and to conduct animal experiments as prescribed in the curriculum of the post graduate courses.	--
24	Shiraz University, Iran	September 22, 2019	• To facilitate the exchange of academic members, researchers and experts for conducting research, teaching or exchange of ideas. • To provide opportunities for professors and researchers to participate in conferences, symposia and international meetings of both universities. • To collaborate in holding joint scientific research and technological exhibitions and conducting joint research projects. • To exchange students in the areas of mutual interest consistent. • To support the establishment of the chair of the languages and literature in the universities of both countries. • Shiraz University voice its readiness to admit the students of the university of GLA University in short-term Persian language programmes. • GLA University also voice its readiness to admit the students of the Shiraz University in short -term Hindi and English language programs	–
25	Indian National Association Of Legal Professionals (INALP), New Delhi	Feb 28, 2020	2 days Training program at India International Centre, New Delhi (21-22 Feb ,2020)	4

TED×GLAU

TED×GLAU

TEDxGLAU is an initiative started in the year 2016. Well known personalities are invited for TED like talks and performances for our GLAians.
Have a glimpse of few-

Prajakta Koli
is an Indian YouTuber and actress who makes comedy videos. She is popularly known by her YouTube name "MostlySane". Her videos are focused mostly on observational comedy related to daily life situations and has a youtube subscriber base of 6.15 million.

Gaur Gopal Das
is an Indian lifestyle coach, motivational speaker and former HP engineer. He is a member of the International Society for Krishna Consciousness (ISKCON).

Ashish Vidyarthi
is an Indian actor who predominantly works in Hindi, Telugu, Tamil, Kannada, Malayalam, and Bengali language films. He is noted for his antagonist and character roles. In 1995, he received the National Film Award for Best Supporting Actor for Drohkaal.

Aseem Trivedi
is an Indian political cartoonist and activist, known for his anti corruption campaign Cartoons against Corruption. He is a founder member of Save Your Voice, a movement against internet censorship in India.

Harpal Singh Sokhi
is a celebrity chef from India. As a chef, he worked with multiple hotel and restaurant chains, before launching his own chain – The Punjabi Tadka – in 2013. He has hosted the cooking show Turban Tadka, and is the Director of Turban Tadka Hospitality.

Chitranshi Dhyani
was born on 15-09-1995 Delhi, India. She is an Indian, Instagram Star, TikTok Star, Social Media Star & Model. She is famously known for her work in the Punjabi music videos, as a model.

Dr. Raul Villamarin Rodriguez
is an Asst. Professor of AI, ML, and Robotics at Woxsen School of Business, who holds a Ph.D. on Artificial Intelligence and Robotics Process Automation applications in Human Resources.

Pawani Khandelwal
is a serial social entrepreneur, Tedx speaker and activist. A radical thinker, adventure seeker, traveller and feminist, she truly believes there is nothing a woman can't achieve. She is currently the CEO of Aatm Nirbhar Learning Private Limited and founder of Aatm Nirbhar's Women's Association.

StartUp

- StartUp Launch Pad was established on 24th April 2019 at GLA University, Mathura Startup Launchpad is a flagship initiative of the GLA University, intended to catalyze startup culture and build a strong and inclusive ecosystem for innovation and entrepreneurship in Mathura and nearby regions

- The aim of StartUp Launchpad is encouraging students to start their own venture.

- The objective of StartUp Launchpad is to transform students to be job creators instead of job seekers.

- Currently 31 different teams are working on different startups, out of these 12 are Physical Startups and 19 are working in virtual modes

- StartUp Launch Pad provides various facilities to all the incubates:

- Dedicated Office Space accessible till 12 am in midnight.

- Basic Incubator Facilities: Wi-Fi Access for all the team members, Conference Hall, CCTV security, Printer & Centrally Air-Conditioned room.

- Mentoring Support: Around 4-6 mentoring sessions in a month.

- Networking Support: Visit to different Startup expo, incubation center etc. & networking opportunity at GLA (With Guest Speakers).

- Documentation Preparation Help (Includes Pitch Desk, Financial Planning, Vision Mission Statement, Project & Task Management Tools, SOP & other required documents)

- Help in Promotion

- Seed Funding Support

- GLA University is recognized with StartUp Incubator Centre from UPIT Govt. of Uttar Pradesh.

- Vision of StartUp Incubator of GLA University is intended to catalyze startup culture and build a strong and inclusive ecosystem for innovation and entrepreneurship in Mathura and nearby regions

- Mission of StartUp Incubator of GLA University is to Incubate 200 Startups in our Incubator till 2025 and also to create many Successful Entrepreneur out of them.

Facilities in GLA University

Academic Facilities

Lecture theatres

GLA University has 227 classrooms which are built like amphitheatre, so that the teacher can give equal attention to all the students. 65 out of these are tutorial rooms. All these classrooms are Air-Conditioned. There are Latest computer systems attached with projector as well as on demand sound system, Wi-Fi and all modern, hi-tech amenities to facilitate incubates to have demonstrative mode of learning. The Internet facility is available on the computers in the University through 1Gbps bandwidth from BSNL under NKN and 155 Mbps from UP Communications Pvt Ltd. The classrooms are Air-conditioned with audio-visual and multi-media facility.

Conference Hall

With State-of-the-art auditoriums, GLA University has a capacity to host 3800+ people in 13 auditorium and Seminar Complexes. Students, faculty and guests can easily organise events, workshops and guest lectures. The auditorium and conference halls are equipped with sound system, projector and green rooms and are air conditioned to cater to the need of audiences. These halls are aesthetically designed to not only meet the specific requirements but also to add to the overall pleasure of listening to and talking with some of the very sharp minds around, on work.

Laboratories

GLA University has a total of 157 well equipped labs where the students get a hands-on experience on various emerging technologies through which they get an opportunity to expand their practical understanding of how a particular phenomenon works. This practical understanding comes really handy when they use those tools in practical situation, actually, in a corporate or on a project. Every department has its own laboratories where Students work with state-of-the-art machines under expert guidance from experienced and trained Faculty members.

Laboratories in Department of BioTechnology:

- Advance Research Laboratory
- Biochemistry and Molecular Biology Laboratory
- Fermentation and Microbiology Laboratory
- Plant Science Laboratory
- Chemistry Laboratory
- Bioinformatics and Computer Laboratory
- Tissue Culture (Animal and plant) facility
- Diagnostic services

Laboratories in Department of Computer Engineering & Applications:

- Object Oriented Programming Lab
- Software System Lab
- Image Processing and Computer Vision Lab
- Data Structures & Algorithms Lab
- Operating Systems Lab
- Information Retrieval and Analytics Lab
- Distributed Systems Lab
- Advanced Programming Lab

Laboratories in Electrical Engineering Department:

- Basic Electrical & Electronics Engineering Lab
- Electrical Simulation Lab
- Rockwell Automation Lab
- Power Electronics Lab
- Electric Drives Lab
- Electrical Machine Lab
- Power System Lab
- Network Lab
- Control System Lab
- Electrical Measurement and Instrumentation Lab
- Energy Lab (Research)

Laboratories in Civil Engineering Department:

- Building Materials Laboratory
- Construction Engineering Laboratory
- Fluid mechanics and Hydraulics Laboratory
- Geo-informatics / Surveying Laboratory
- Geo Technical Engineering Laboratory
- Water and Waste Water Analysis Laboratory

- Structure Analysis Laboratory
- Transportation Laboratory
- CAD Laboratory
- Sustainable Environmental & Agricultural Research Laboratory

Laboratories in Diploma:

- Automobile Lab
- Automation & Robotics Lab
- CNC and CAD/CAM Lab
- Advance Production Technology
- RAC Lab
- Advance Welding Lab
- Measurement & Metrology Lab
- Hardware & Maintenance Lab
- Applied Chemistry Lab
- Applied Physics Lab
- Digital Electronics Lab
- Analog Communication Lab
- PCB (Printed Circuit Board) Lab
- Microprocessor Lab
- Digital Communication Lab
- Fiber Optical Communication Lab
- Microwave Engineering Lab
- Electronic Instrument and Measurement Lab
- Simulation Lab
- Electrical Machine Lab
- Microprocessor Lab
- Power System Lab

Libraries

The Central Library is the hub of information services in the university. It serves as a creative and innovative partner in supporting the teaching, learning, and research activities. With a fast growing collection, both in digital and print format using state-of-the-art facilities, currently the Central Library has more than 169899 books over 4,500 CD-ROMs and subscribes to more than 95 national and international journals/magazines in print besides a larger number of e-journals through INDEST-AICTE Consortium for Subscription of International Journals of IEEE/IEE (IEL Online+ASPP), ASME are available to the academic community all over the campus.

Central library is a member of DELNET which connects over 5000 libraries over the country and is a member of National Digital Library as well. The Central Library's operations and services are fully computerized. For this, we have specialized user-friendly open source software called KOHA. In order to ease the track and circulation of the books/journals we also Bar-Code based computerized circulation system. This software facilitates automated circulation (issue & return) of the resources and speedy access to bibliographies, locations and availability information of the resources stocked in the library. We endeavour to further improve all our efforts to facilitate right information to the right user at the right time.

The central library has more than 1,50,000 books, journals, magazines, newspapers, encyclopedias and thousands of CDs focusing on the multidimensional knowledge. Apart from central library, each department has its own library equipped with informational books & journals. Being a member of DELNET, the university has access to more than 2 crore bibliographic records, 36,000+ periodicals, CDs and e-books. Students can enjoy reading in the air-conditioned central library till midnight. The central library is fully automated using KOHA Integrated Library Management System and linked with the libraries of many reputed institutes and universities. This facility enables the users to the collections of different libraries.

e-contents

Campus Facilities

Hostel

GLA University provides on campus accommodation for students. The hostels are well equipped and furnished with single/ double/ triple and internet connectivity. Rooms are furnished with beds, mattresses, study table and wardrobe. Gymnasiums are constructed for the fitness of the students since it's a well-known fact that a healthy mind resides in a healthy body. Mess functions under the control of students on a co-operative basis.

The separate hostel wings for boys and girls are akin to 'home away from home' for the students. Full-time resident doctors, along with part-time specialists, keep a vigil on the health and related aspects of the students. Counselors take care of the psychological needs. Two departmental stores take care of the daily needs of the students. Round-the-clock uninterrupted electricity and water supply (along with RO water for drinking purpose) are provided. CCTV cameras and security guards keep a close watch and monitor the activities in the campus 24*7.

Girls Hostel

Boys Hostel
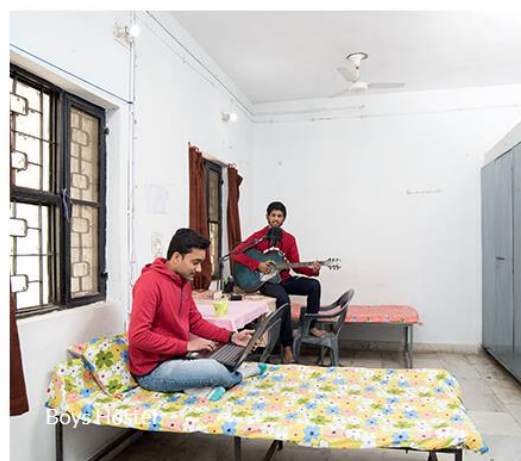

Dispensary

A senior Medical Officer is available six days a week daily during evening hours on campus to provide medical consultation to students and staff. The Medical Officer also dispenses medicines free of cost for common ailments. In addition, the Institute provides 24 hours ambulance services in case of emergency only. KD Medical College & hospital is also located very close, just next door to the institution; students, faculty and staff avail its services whenever needed.

Cafeteria

For students to grow mentally, physical growth is mandatory. They need proper nourishment which is only possible through Balanced Diet. Keeping that in mind all the cafeterias have menu that are planned by a group of expert dieticians which provide them healthy and nutritious food. We understand that students have cravings for snacks every now and then but we ensure that they don't eat junk. The food provided in cafeteria is hygienic and vegetarian. We have 4 cafeterias in campus that helps the students to fulfil their cravings as and when they want. The cafeteria offers a good menu of multi-cuisine delights, amidst a lively, jolly atmosphere.

The University has two cafeterias. Each remains open almost 16 hours a day serving students with nutritious and delicious food & beverages. Apart from the cafeterias, there are a few canteens which run within the precincts of various institutes / departments and provide students with basic refreshment options during the working hours of the University.

Computing Facilities

Every department has 'Classle Classes' to help the students learn anytime & anywhere around the campus through online lectures.

Internet Facility

Students at GLA can avail internet facility on all the computers in the laboratories as well as in their hostels through 2GBPS bandwidth.

Networking & Automation

All the computers in the University are connected through a campus-wide LAN. There is a wide variety of dedicated servers installed to manage the various functions of the University like Mail Server, MIS & Students Records Maintenance, Office Automation, File Server etc. A strong firewall has also been placed to secure the network from third-party.

Departmental Stores

The University has two departmental stores within its premises that stock daily need products and stationery items for the students. The hostellers at GLA get everything from stationery to toiletries under one roof.

Safety and Security

To ensure proper safety & security on the campus, a team of well-trained guards and supervisors remain available round-the-clock around the premises. The University is under 24x7 surveillance with the help of 1383 hi-tech CCTV cameras. The University observes fire prevention norms with modern firefighting equipment and vehicles.

Banking and ATM

To serve the banking needs of the students, Indian Overseas Bank operates as a full-fledged bank branch along with two ATM facility within the University campus.

Basic Amenities

For providing safe drinking water, RO Systems, connected with water coolers, have been installed in every building of the campus. In order to provide round-the-clock electricity:

- One generator-sets of 380 KVA
- Two generator-sets of 500 KVA each
- one generator-sets of 1269 KVA
- two generator-sets of 2375 KVA each

remain operational on the campus. Cleanliness is given utmost importance and maintenance activities are continuously monitored by the House Keeping department.

Solar panels of 2MW capacity are installed at the roof of all academic blocks and hostels to support the govement green energy mission. All hostels are equipped with solar geasers.

Transports Facilities

GLA University has a fleet of luxury AC Buses and Non-AC Deluxe buses providing transport facility to the students of Mathura region covering the distance of 45 km towards Kosi Kalan, 35 Km. towards Chhata, and nearly 15 km towards Vrindavan. GLA owns the fleet of 17 buses along with 16 contract buses. University buses are equipped with all safety devices i.e. GPS, to track the bus location, Route, Speed etc. and speed governor to restrict the speed of the buses as per the Supreme Court guidelines, Fire Extinguisher and First Aid Kit. From the safety point of view, Buses of GLA University board (at the time of departure from Campus) and de-board (after arrival at campus) the students inside the campus premises only. Students are allowed to board or de-board the bus at the scheduled stops only. We also allot seat numbers to every transport-facility user on the basis of first-come-first-serve (the student deposit the transport fee first, gets the seat first). Transport ID Card is valid for one Academic Session of the respective Institute. Transport fee is collected one time in advance for the whole academic session at the time of availing transport facility.

Sports Facilities

GLA University firmly believes in the saying, 'In a healthy body resides a healthy mind'. Sports get their due in the university in such a way that faculty, staff members as well as students take active participation in the activities which are organized in the university round-the-year. National-level players serve as coaches for various sports. Each sport has got dedicated staff and amenities. The events which are earmarked for sports dot the academic calendar of the university be it national level, inter college, inter school or other inter and intra departmental activities. There is never a dull moment in the campus of the university thanks to the vibrant sports culture which is as much part of the student's life as is the academic pursuit. Students are encouraged to participate in activities so that they could hone their sportsmanship as well as develop the spirit with which game ought to be played. They participate in sports activities in various famed institutions across the length and breadth of the country. Overall, the sports department is committed for the physical well-being of the student fraternity because we firmly believe that a student who possesses a sound physique is the one who would ace all the competitions in life!

Sporting Excellence

The University boasts of some of the latest equipment and state-of-the-art on-campus infrastructure which is the pre-requisite for developing a healthy competitive spirit in the students. The playing fields, courts and arenas dot the entire university and there is not a place in the university where one couldn't find the buzz which surround sports. Such is the dedication towards promoting the cause of physical activity among the students that the sports officer, along with the coaches, keep on motivating even those students who initially are a bit reluctant to be a part of the sports culture but soon they are convinced to realize the significance which sports can play in one's life. The discipline, hard-work and team-skills which accompany any sport are held at the highest level in the university and precisely for this reason the various sports teams of the university have brought accolades from other institutions from time to time. The campus has dedicated spaces for all major outdoor games such as football, cricket, hockey, badminton, basketball, volley ball, athletics. Apart from it, indoor games are also promoted with much enthusiasm and such eternal favorites as carom, chess, table tennis have their own fan following equally among the students as well as the staff. The university regularly organizes such events which provide an opportunity not only to the students but also to the staff and faculty members to unwind from the rigors of academics.

GLA University offers various indoor facilities to its students by providing them a wonderful way to utilize their leisure Time @ GLA University. Here students will find a fully furnished game arcade ranging from chess, carom to foosball, TT and then to royal flavors like billiards. Everything is here under one roof. These facilities are developed in addition to other outdoor game facilities like Basketball, volleyball, Badminton etc.

Guest House

Well-furnished 16 VIP guest houses are available in the campus.

Corporate Social Responsibility/Social Activities by GLA University

There is a famous saying, "Service to man is service to God.".
When an organization gets involved in serving the society, some refer to it as "CSR", others call it "Social service", and yet others term it "helping others".

Whichever way one chooses to refer to it, GLA University strongly believes in "giving back to the society."

Over the years several CSR activities have been successfully conducted and continue to be conducted by us.
Be it helping the underprivileged children or getting involved in cleaning activities or even sharing our expertise with school children or even spreading health awareness, we feel fortunate to be able to make our humble contribution in all these areas.
The following are the six primary social initiatives run by GLA University:

1. PRAYAAS
2. NATIONAL SERVICE SCHEME CELL
3. SOCIAL AWARENESS
4. UDAAN
5. UJJWAL BRAJ
6. AASHAYEIN
